Dear Mark,

We at Findlay Honda would like to extend our most sincere gratitude to you and your staff for the years of excellent cuisine and even more impressive customer service.

Over the past several years, our dealership has been able to have bi-monthly manager meetings, employee birthday celebrations and business lunches at your establishment without incident. I can't tell you how important it is that we have been able to rely on your restaurant for the consistent, high caliber service regardless of what our needs were.

In addition to our many dine-in experiences, you have catered several events for us that did not disappoint. The pinnacle being the past two years in which you catered our employee Christmas Party. With almost 200 guests, this annual event has gone exceptionally well. The food was delivered and setup on time, the servers were very attentive and responsive and the food quality has been just as good as when we are sitting in your dining room.

Again, we are very grateful to you and your team for the years of dedicated, reliable service and look forward to many more lunches, celebrations and events in the future.

Sincerely,

Jessie Sanchez
Finance Director
