"The Best Value in Fitness"

January 12, 2016

Dear Mark.

I wanted to take a minute out to tell you what an enjoyable experience we had again at our holiday party. Catering to 300+ hungry fitness employees is a tall order, and you came through amazingly. Allen and your serving staff are quick and efficient. Our employees were pleased with your food and the selections you had.

I can not say enough. I would definitely recommend you to anyone having an event. I hope to see you at our party again this year.

All the Best,

Sara Palluck
